ASTRA BACKGROUND

Altrusa International, Inc. appointed a special Youth Group Committee in July 1965 to identify and develop a suggested structure and name for youth groups sponsored by Altrusa Clubs. The youth groups would be based on the following principles, as adopted by the International Board of Directors.

- 1) Altrusa's participation in the area of youth groups should not duplicate what is already being done by other organizations.
- 2) Altrusa's participation should be unique in purpose.

WHAT IS ASTRA?

ASTRA is an international community service organization for students between the ages of 12 and 25 and is supported by local Altrusa Clubs. ASTRA is an acronym for:

Ability – to know that all of us have special talents to share with others.

Service – to improve the lives of those less fortunate in the community.

Training – to develop leadership ability and potential.

Responsibility – to learn to accept obligations and know the satisfaction of carrying projects through to a successful conclusion.

Achievement – to experience success; to know that a group can accomplish so much more than any one individual.

Through ASTRA and with the help of each club's advisors, who are Altrusans, ASTRA members are provided with opportunities to learn leadership skills, personal development, career planning and preparation, as well as citizenship development.

ADVANTAGES OF SPONSORING AN ASTRA CLUB

There are tremendous advantages to having an ASTRA Club (or two, or three, or more) sponsored by your Altrusa Club.

- First and foremost, ASTRA Clubs and their members bring youthful energy to an Altrusa Club. They may not have a lot of time to plan an event, but ASTRA members have the energy and drive to lend their services for the success of an event.
- ASTRA fosters the concept of service through practical application in school and community. When working side-by-side with Altrusans, ASTRA members benefit from the experience offered by the sponsoring Altrusa Club members. In working together on projects Altrusa members have the opportunity to shape the future of ASTRA members by making them a part of the Altrusa family in the present in consideration of Altrusa's future.
- ASTRA members are given various opportunities for personal development, career planning and preparation, leadership training along with citizenship development.
- The future of Altrusa and ASTRA are intertwined. The two groups cannot work together without affecting each other: ASTRA members with the way they approach life, and their different thought processes, bring a sense of "youth" to Altrusa members. In turn, Altrusa members bring life experience to ASTRA members, experience which includes the positive effects that are gained through serving one's community through membership in Altrusa.

STARTING AN ASTRA CLUB

Starting an ASTRA Club is easy... just get a group of youth together and then decide on a project to do that will improve their community.....Well, maybe it's a little more involved, but not much more. The most important part is involving the youth. There are so many young people who are excellent leaders already, or in the making, and all that is needed is a guidance to enhance their leadership skills. Having the youth take on different aspects of starting an ASTRA Club helps hone those skills and gives them a sense of ownership as well as loyalty.

- Once complete approval of sponsoring an ASTRA Club is garnered by the local Altrusa Club the International Office needs to be informed of the decision. Those at the International Office will then give guidance regarding needed information, contacts for questions, resources for more information, etc. – contact the International Office at altrusa@altrusa.org.

- Altrusa Clubs should be incorporated before sponsoring an ASTRA Club for liability concerns.
- Two or more Altrusa members from the sponsoring club shall be appointed as advisors for the new ASTRA Club.
- ASTRA Clubs shall adapt and then adopt the model Bylaws approved for such clubs by Altrusa International, Inc.
- Determining and being prepared to set up an account for funds that the ASTRA Club will raise for internal use (dues, etc.) and community use (projects, donations).
 - Local bank
 - School account
- This guide contains examples of various scripts for charter meetings, initiation of new members, installation of officers, as well as Bylaws, and also sample agendas for meetings.

Making an ASTRA Club Successful

Generally speaking, keeping an ASTRA Club successful refers to keeping it going year after year. Due to the nature of it being comprised of an ever-changing body of students its membership makeup will be ever fluid. Just as school sports teams change each year according to the composition of students and their various skills, so too will ASTRA Clubs be “*the same thing, only different*” each year. Understanding that element is helpful to the advisors’ mindset. However, consistency is possible and necessary in certain areas of an ASTRA Club.

Some key elements to a successful ASTRA Club include:

- Meeting as a general membership at least once a month
- A consistent date, time, and place for meetings
- Having a project and/or program at that meeting
- Member-elected officers

- Encourage ASTRA members and Altrusa members to bring potential members to all meetings
- Altrusa members who are devoted to ASTRA and keeping it going through thick and thin
- Practicing parliamentary procedure on a level the ASTRA members can understand
- Including a school “contact” (staff member)
- Directing meeting progress with an agenda which includes “Info from your advisor”
- Expecting the ASTRA Members to bring project ideas to be explored and carried out
- Bringing project ideas to the ASTRA members for them to choose to do or not do
- Having the ASTRA and Altrusa Clubs work together on projects for each club
- Understanding that students are very busy and cannot do everything they want to, however they need to be held accountable to the club, its meetings, and projects
- Working knowledge of today’s youth’s means of communication – texting, Facebook, LinkedIn, etc.
- Utilizing local press to spread the word of ASTRA’s great involvement and service to the community
- Helping ASTRA members to know about and be involved with District and International activities as much as feasible
- Completing the End of Year Club Activity Report and using it as a tool and guide for growth
- Completing Club Roster for the International office each year
- Inviting ASTRA members to Altrusa meetings
- Inviting Altrusa members to ASTRA meetings

AWARDS TO ASTRA MEMBERS FROM ALTRUSA

It is important to note that ASTRA is becoming a more integral part of the Altrusa International organization and in so doing Altrusa now has means by which it recognizes ASTRA Clubs, and outstanding ASTRA members.

The Altrusa Foundation now funds \$500 to recognize five different ASTRA Clubs for service within their community. Each ASTRA Club that completes and turns into the International Office on time an End of Year Club Activity Report is eligible to be recognized. Recognition is in the form of a gift of \$100 in honor of the ASTRA Club to an organization or project with which the club has worked in the past year. For example, a club's report which is randomly chosen may describe their work with a local child advocacy center which the ASTRA members warrant is deserving of recognition and support from Altrusa International and the Altrusa Foundation.

Scholarships are now available to ASTRA members graduating from high school and continuing their education at a technical school, college, university, etc. Starting in 2012 the Altrusa Foundation will fund two \$500, and two \$2,000 scholarships to four ASTRA members who demonstrate outstanding community service, leadership skills, and potential. This \$5,000 commitment from the Altrusa Foundation validates its appreciation of the importance of ASTRA to Altrusa's future.

The End of Year Club Activity Report as well as the Scholarship application and relevant information are both available online at www.altrusa.org.

ASTRA MEETINGS

Each ASTRA Club should hold at least four different kinds of meetings each year:

- Regular meetings
 - Board meetings
 - Initiation meetings
 - Installation meeting
- **Regular meetings** are for the entire ASTRA membership and should include information about upcoming projects, a wrap-up of recent projects, a request of the membership for new project ideas, and when feasible should also include a program and/or project for the members to complete during the meeting time. (A sample Regular Meeting Agenda is at the end of this Guide.)
 - **Board meetings** are for the officers of the club. It is at these meetings when project ideas that come to the Advisors can be discussed as to whether or not to take to the general membership, bills can be paid by the treasurer, correspondence can be completed by the secretary, and other business can be decided as to whether or not be taken to the general membership. For well-established ASTRA Clubs, a workable budget can be established. As well, prospective new members can be evaluated for conformance to ASTRA and school eligibility criteria by the board and Advisors.

- **Initiation meetings** can be held as often as the club deems necessary, or just once or twice a year. It is at these meetings that new members are brought into/initiated into the ASTRA Club membership. (A sample script of an ASTRA Initiation is at the end of this Guide.)
- **Installation meeting** is held once a year with the purpose to be to install the newly elected officers who will lead the club in the upcoming year. Elections of officers can be held at the end of the ASTRA/school year so that the club is ready to go upon the starting of the new year. Or, elections can be held at the beginning of the new ASTRA/school year to allow for any changes in membership that may have occurred since the end of the previous year. (A sample script of an ASTRA Installation Meeting is at the end of this Guide.)

For ALL meetings, as well as projects, it is good practice to have a **sign-in sheet** for members to use, and for Advisors to be able to refer for attendance, service hours, etc.

ASTRA POLICIES

ASTRA Club Policies are set by International for all ASTRA Clubs. Each club may adapt guidelines or regulations so long as they are not in conflict with Bylaws and Policies of Altrusa International, Inc.

ALL clubs for youth that are organized and sponsored by an Altrusa Club shall be known as an ASTRA Club.

Child Protection/Abuse

Altrusa International Inc. supports and maintains environments that are free of child abuse and neglect as defined by the Child Abuse Prevention and Treatment Act (CAPTA) which is federal Public Law 93-247. Child abuse and neglect are unlawful acts, and it is against policy for any Altrusa member and/or volunteer, male or female, to physically, sexually, mentally, emotionally, or verbally abuse or neglect any ASTRA Member, girl or boy.

In compliance with applicable federal and state laws, Altrusa International, Inc. prohibits the participation of anyone to be involved or affiliated with ASTRA who is found guilty of child abuse and neglect or has been convicted of child abuse and/or neglect. A criminal background check must be performed annually of all adults working with minors.

It is important for Altrusans to know these federal and state laws. Numerous resources regarding these laws are available online.

Altrusa International Photo Release Policy

Altrusa International has an existing policy that requires written consent from members and/or their guardians who appear in a photo that is sent to the International Office for publication or display on the website. A photo release is to be used ANYTIME a photo is to be published, regardless of whether the use is by Altrusa International, ASTRA, or any other entity.

Limitation of Membership in ASTRA

Membership in ASTRA is limited to youth/young adults between the ages of 12 and 25 years of age. This age span is to account for those citizens who are considered “traditional” students in the community, as in they have not yet been considered eligible for membership in Altrusa.

District Conference and International Convention

Altrusa International policies encourage the attendance and involvement of ASTRA Members at all District Conferences as well as at International Conventions. Particularly when conferences and/or conventions are in close proximity to ASTRA Clubs it is important to encourage ASTRA members to attend these events for they will learn a lot about Altrusa of which they are all a part.

End of Year Club Activity Report

The End of Year Club Activity Report, to be filled out each year by each ASTRA Club, is designed to help keep open the lines of communication between the International Office, the International ASTRA Chair and Vice-Chair, District ASTRA Chairs, and club advisors. It will provide information that can be shared with all ASTRA Clubs. The report will also remind ASTRA clubs of the many ways they can be assets to their communities. The report will not be used as a means of judging ASTRA Clubs. It is simply a tool for ASTRA Clubs, as well as a form of communication.

Service Awards

EACH club that turns in a report on time will receive a patch that is to be attached to the club's ASTRA flag. The patch will indicate the year the report information covered and will remind the club of the different activities, projects, and events in which it was involved during that year. As the flag is displayed at activities in which the club participates, the patches will show the community the history of the club. These patches will be great conversation starters.

Of all of the completed reports that are turned in on time each year, five will be randomly selected and each project/community need described therein will be given a \$100 donation from the Altrusa International Foundation. These donations will not only respond to community needs, they will also bring recognition to the supporting ASTRA Club, Altrusa International, and the Altrusa International Foundation.

The End of Year report is available on the Altrusa International web site. (**Keyword** = ASTRA End of Year Report)
