ASTRA ALUMNI INFORMATION SHEET

To be completed by all ASTRA members ages 18 years and older who are currently members of an ASTRA Club or are ASTRA Alumni

ASTRA Members and ASTRA Alumni:

Thank you for serving in your local ASTRA club, whether it was this past year or a number of years ago! We hope that you enjoyed the leadership and service opportunities provided by ASTRA. We have continued to expand our worldwide ASTRA program and seek your help in creating an ASTRA Alumni database. This database will allow us to stay connected with you (only periodically) and share great opportunities for your talents and interests, while respecting your time.

From continued community service through a local Altrusa club, to being mentored by Altrusans in your professional field in the next chapter of your life, having fun with other active volunteers who care—and as ASTRA alumni, even working to inspire younger ASTRA club members—there are plenty of great opportunities so please help us stay in periodic contact with you. You grew in service with ASTRA. Let’s continue making a difference in our communities together! We hope you consider Altrusa membership in your future. For now, we wish you the best and invite you to complete this brief “fillable” survey and submit it (preferably by May 30th) by emailing it to altrusa@altrusa.org with a copy to your club’s sponsor(s). Thank you!
