ASTRA High School Scholarship Instructions

These scholarships give the Altrusa International Foundation the opportunity to recognize high school senior ASTRA members who have grown through service in ASTRA. A winning applicant will have demonstrated exemplary Altruism within his or her community.

Applicants must have applied to an institution of higher learning (college, university, tech school, etc.) which they will be attending within seven months of the March 15 deadline for application.

The application is designed to help the applying ASTRA member exhibit their growth in Ability, Service, Training, Responsibility and Achievement through service to their community and sponsoring Altrusa Club.

Up to four scholarships will be awarded annually in the following amounts:

- Two \$1,000 each

Monetary awards will be based upon the points awarded to candidates' applications.

Applications will be judged by a five-judge awards committee, chosen by the International ASTRA Chair and comprised of at least three non-Altrusans.

Applications will be provided through the official Altrusa website www.altrusa.org and ASTRA Advisors at the beginning of each year in January. The deadline for submission of completed applications is March 15th, and should be received by mail at Altrusa International, Inc. - 1400 E. Touhy Ave. Suite 410 - Des Plaines, IL 60018 or by e-mail at altrusa@altrusa.org. Complete applications will be processed by the awards committee and winners will be announced by April 15th. Complete applications consist of at least the information requested in the application including the application and reference forms available from the Altrusa website completed.

Letters of award will be mailed to the scholarship winners, requesting letters of acceptance containing information regarding eligibility including, but not limited to, proof of registration at an institution of higher learning. A notification will also be mailed to the sponsoring Altrusa Club and District Governor, for acknowledgment. An ASTRA scholarship winner may have up to 120 days from the date he or she receives a letter of award to provide the information necessary for funding.

Scholarship funds will be dispersed directly to the educational institution named in an ASTRA Scholarship winner's letter of acceptance. In some cases, primarily in consideration of ASTRA members in District Fifteen, funding may be made as a reimbursement when the requested documents are provided by the ASTRA member.

If all or parts of the scholarship funds are not used by a scholarship recipient for educational needs, such as tuition or books, the Altrusa International Foundation requires that the unused funds be returned to the Foundation.
